## Dear Standards Management Users

### Please note:

#### 1. Information on specific collections:

The following information does not apply to the collections AFNOR, BSI, PKN, SABS, SIS and TSE. Your data is supplied directly by the publishers and is fed into Nautos after a formal check by DIN Software GmbH.

#### The following collections have not been updated (the issue which was last updated is shown in parentheses):

GOST (2022-02)  
 PKN (2022-02)

#### An unusual number of changes:

##### UIC rules

We have made a correction to the UIC rules with documents of the International Union of Railways (French: Union Internationale des Chemins de fer). The edition numbers of the standards, which were previously stored in the REVISION field, will be listed in the EDITION field provided for this purpose from now on. In the 2024-07 issue, 1,780 records have been updated.

#### 2. The following document identifiers have been changed:
